### A WORD FROM THE EXECUTIVE DIRECTOR

As Executive Director of MVSU V Club, my primary aims are to fund scholarships, programs and facilities in support of student-athletes at Mississippi Valley State University through partnerships and private contributions. The landscape of collegiate athletics is one that is constantly evolving. Former students and MVSU supporters who give financially are the foundation of the MVSU V Club and ensure that our teams are equipped to succeed at the highest levels of competition.

MVSU V Club must secure the funding necessary for success by leveraging all revenue streams to secure the resources needed to support the strategic goals and objectives of MVSU Athletics. Your financial support, whether it be through purchasing season tickets, making an annual donation or committing to a major gift, directly benefits Valley's student-athletes in the classroom and in sports. MVSU V Club and the athletics department is dedicated to providing student-athletes with premier academic opportunities and preparation for life after competition. Your support ensures these young men and women leave Mississippi Valley State University prepared for the next step in their lives.

Keeping Valley in Motion,  
  
 Patrick Austin  
 Executive Director
